

SESSIONS PEAK FLOORING SPECIFICATION INFORMATION

Come home to the distinct unique look of hardwood with the added benefit of scratch resistance, via a UV cured urethane aluminum oxide finish. The beauty of hardwood flooring lies in the natural variation of the material. Since each tree is unique, each installation will be unique. Homecrest Hardwood flooring is available in several shades & textures, constructed of multi-layered engineered hardwood in a variety of widths and from species like Hickory, White Oak and Maple. Installation is up to you as it can be either glued, nailed, stapled or floated.
